

## Ealing Local Exchange Trading Scheme

MEMBERS' NEWSLETTER: May 2017

Dear Members

Welcome to three new members: Sabrina Lloyd (2286), Amelia Summerfield (2287), and Cheryl Harris (2288). When we set up an online system for Ealing LETS, which trades in "eals", we added 2000 to the membership numbers, so that they are unique within the Londonwide system, and accounts can also be set up in parallel for those who would like to have access to trading across London (in "links). If you are interested in exploring that possibility, the link to that scheme is: <http://www.londonwide.letslink.org>

Meanwhile our priority is to create community across our own borough of Ealing, a very lively borough with a variety of organisations, many of whom are included in our Local Links page: <http://www.ealing.letslink.org/members/pages.php?id=7>

Since stalwarts David and Lawrence took a break from the work of running Ealing LETS things have been rather quiet. There are several ways we can liven things up. Firstly, we should have some get-togethers. On our News page are some events of interest: **On Sunday 21st May from 7.30pm** LETS members are invited to join Transition Ealing for a showing of part 2 of 'Demain' (Tomorrow) at St Mary's Church, St Mary's Road, Ealing W5 5RH (South Ealing tube). There will be an opportunity afterwards for general discussion and sharing of ideas. If you can arrive earlier, we can from 6pm at the nearby Rose & Crown. Further details are on the Ealing LETS website News & Events page: <http://www.ealing.letslink.org/members/news.php>

On our News page here is also a link to the Calendar of Events of Ealing CVS - attending some of their events is an opportunity to meet up, so please reply if this is of interest. Another option is for members to host socials, which is what we often used to do. If you are nervous about catering you can ask members to bring food to share. You can put an event on our own Events calendar by creating an Offer listing with the date of the event - once logged in members will be able to contact you for details.

Secondly, as a member, you can renew your account: so if you are alive and living in Ealing, please log in, go to My Profile, add some details into About Me, upload a photo, renew or delete out of date Offers & Wants and add new ones. If you've forgotten your password, you can have a new one emailed to you via this link: [http://www.ealing.letslink.org/members/password\\_reset.php](http://www.ealing.letslink.org/members/password_reset.php)
